Course Overview

Many of us flinch when we hear terms like depreciation, cash flow, balance sheet, and (worst of all!) budgets. However, these are all important concepts to understand if you’re going to succeed in today’s business world, particularly as a supervisor. Even better, financial terms are not as scary as they seem.

About This Course

Many of us flinch when we hear terms like depreciation, cash flow, balance sheet, and (worst of all!) budgets.
