**Duration:** 8.00 hours (1 days) **6.5 CPD Hours**

**Rating:** ★ 4.6 (5,878 reviews)

## Course Information

**Delivery Format:** Instructor Led - Online

**Certification:** AI+ Marketing

**Related Exam:** AI+ Marketing

## Course Overview

The AI+ Marketing Course Programme is specifically tailored for marketing professionals and business leaders who are keen to leverage artificial intelligence to transform their marketing strategies. It provides an in-depth exploration of how AI can be utilized to automate processes such as customer segmentation, personalize marketing campaigns, and sift through big data for valuable insights. Participants will engage with a curriculum that spans the full gamut of AI's applications in marketing, highlighted by practical examples that showcase AI's potential to boost customer engagement, campaign performance, and return on investment. Central to the programme is a focus on the ethical deployment of AI in marketing, ensuring that participants are equipped with the knowledge to use AI tools in a manner that is responsible and considerate of broader societal impacts. As the course concludes, attendees will emerge with a comprehensive understanding of AI's role in modern marketing, prepared to lead their teams and strategies effectively in this AI-centric landscape. This newfound expertise will empower them to make savvy, forward-thinking decisions that drive their companies toward greater success.
