Course Overview

Ensuring that you are both heard and understood is an essential skill, but it can easily come across as antagonistic and confrontational. Whether addressing behavioral issues or directing a meeting, it is important that you be properly self-confident and empathetic, while maintaining positive work relationships. Private classes on this topic are available. We can address your organization’s issues, time constraints, and save you money, too. Contact us to find out how. This course has been approved for 14 PDUs | 14 CDUs
